

SKIWATCH CONDOMINIUM CORPORATION

POLICY D: COMMON AREA STORAGE

There will be no permanent storage in any of the common or limited common areas (i.e., the garage) of the Skiwatch Condominium complex. If temporary storage is required the owner must first contact the property manager to arrange space and amount of time. Under no circumstances will this period extend beyond three (3) months.

If storage items are not removed from the agreed upon storage space by the end of the allotted time, with notice from the property manager, the items will be removed and the owner charged a removal fee.

When doing a full renovation to a unit it is suggested that the owner make arrangement for off-site storage of furniture and appliances.

Adopted 10/23/1999

Amended and affirmed 7/29/2023
